Communication Protocol

Program Manager - Deepika S

- To ensure timely tracking and resolution of your queries, kindly use only the official communication channels below:

Level 1: Ticksy Support Portal (ticksy.futureense.com/login)

Level 2: iitjammudelivery@futureense.com

Level 3: (Escalation):

If your concern remains unresolved after 72 working hours, you may write to: escalations@futureense.com and officeceac@iitjammu.ac.in marked in CC.

- These inquiries include, but are not limited to, scheduling, program immersion, LMS navigation, and fee-related matters. Academic concerns include examinations, assignments, grading, and questions pertaining to course content.

Frequently Asked Questions (FAQs)

■ **How will I learn online?**

You will have access to an online Learning Management System (LMS). Our virtual classes will be conducted through a technology-aided platform, allowing you to interact with faculty and fellow learners in real-time. To participate, you will need the following hardware/software:

- A Windows PC with a minimum quad-core processor.
- Windows 8.0 or higher operating system.
- Internet Browser: Internet Explorer, Google Chrome, or Mozilla Firefox.
- A virus-free PC.
- High-speed internet connection (2 Mbps or higher), preferably DSL or a backup wireless broadband.
- A UPS or inverter with at least 4 hours of backup support.
- A quiet room with a table and chair.
- A 16"/32"/42" monitor to display classroom video.

- **When can I get access to my LMS?**

After payment, you'll receive LMS access within a few days via an email from tech@futureense.com. It will include your login details and a direct LMS link.

- **How long do I have access to the LMS and the course materials?**

You will have access to the LMS and course materials for the entire duration of your program, plus an additional 6 months.

- **Will the classes be archived?**

Yes, classes will be recorded and archived on the online platform. You will have access to view the recordings, but they won't be downloadable. The duration of access to class recordings will be determined by the Program Director and the Delivery team.

- **Will I be getting books or study material for this Program?**

No printed copy or books will be provided. However, enrolled students will be provided with remote access to library resources using their IIT Jammu ID, ensuring they have the same access as regular students.

- **What will be the duration of each semester?**

Each semester will be 5-6 months long.

- **How rigorous is this course, and how many hours of studying and project work beyond lecture time would it need every week/month approximately?**

The course is rigorous, similar to IIT Jammu's full-time programs, and will require full commitment from you to live up to the IIT standards. You will require a total of 12-14 hours per week to complete the course. This includes attending live sessions, completing labs, watching learning videos, reading materials, participating in quizzes, and engaging with instructors and industry experts. Plan additional 5-7 hours per week for homework and self-study.

■ What is Campus Immersion?

The first year of campus immersion is compulsory, while the second year is optional. You'll need to be at the IIT Jammu campus for 3-5 days each year. Campus immersion attendance is mandatory to earn the program certificate. Mid Semester Exams will be conducted online, Final Exams will be conducted at IIT Jammu campus and various exam centers.

■ Will hostel accommodation be provided for outstation candidates from different states?

Hostel accommodation may be provided during the campus visit for contact hours, subject to availability.

■ Can I attend campus immersion sessions online in case of a medical emergency?

Attendance of campus immersion sessions in person is mandatory. However, in exceptional cases like a medical emergency, the decision to attend online will be at the discretion of the program directors.

■ How will the examination be conducted?

Mid Semester Exams will be conducted online, there will be AI proctored and recorded. Final Exams will be conducted at IIT Jammu campus and various exam centers which will be communicated on a later date.

■ What are the criteria for getting the degree?

To receive the degree, you must fulfil the following criteria:

- Minimum 75% attendance in live online classes.
- Completion of project work, evaluated by faculty/trainers/industry experts.
- Securing acceptable grade points as per academic regulations of IIT Jammu.
- Attendance during in-campus immersion sessions.
- Completion of asynchronous learning content (self-paced LMS videos, quizzes, and assignments).
- Evaluation components, including continuous evaluation and final examination.

■ Will I get alumni status?

Yes, learners will receive alumni status upon program completion.

■ Will you organize a graduation/valediction ceremony?

Yes, a valediction ceremony will be organized after the completion of the program.
